Strengthening Fórsa and improving member services

Thursday 15th May 2025 from 1pm - 1.50pm
The Glencar Suite
(to the rear of the Health and Welfare Divisional Conference Hall)

Fórsa is growing, and more and more workers are realising that to improve life both inside and outside the workplace means building our collective power. Join the conversation about how we can deliver more for workers through Fórsa membership.

Speakers include Fórsa Deputy General Secretary Matt Staunton, Fórsa Senior Vice-President Julie Flood, and Fórsa's Head of Strategic Change Ryan McKinney.

Delegates should register their attendance either at the helpdesk, or through the QR code.
